Professor Fan Liming  
President  
Shandong University  
P.R. China. 250100

Dear Professor Fan Liming,

On behalf of Thammasat University, I would like to extend my earnest congratulations on the historic 120<sup>th</sup> Anniversary of Shandong University which has been a strategic partner for Thammasat University for over a decade of collaboration. In celebrating this milestone, your outstanding achievements in providing excellence in education reflect your commitment and success since 1901.

Thammasat University is very proud and privileged to have collaborated with Shandong University through multiple exchanges of students and faculty members. Our academic staff and students have greatly benefitted from the mutual sharing of experiences, knowledge and culture that have continued to deepen between our two institutions.

Thank you for cordially inviting Thammasat University to send representatives to participate in the SDU Global Partners' Week. The event and associated activities are central to the internationalization of education at Shandong University and for all strategic partners. I am delighted to nominate Assistant Rector for International Affairs and her staff from the Office of International Affairs to represent Thammasat University at this event. Our delegation will disseminate information about an array of educational opportunities available at Thammasat University for SDU students as well as share their views during an information session. Our staff will coordinate and fulfill the required procedures with your Department of International Affairs.

Although the entire world is currently facing unprecedented challenges, I am confident that the friendship and collaboration between us will steadfastly strengthen and flourish over the many successful years to come.

I wish you, President Fan, your faculty, staff and students a wonderful celebration of your 120<sup>th</sup> Anniversary. Congratulations again on your remarkable achievement.

Yours sincerely,

A handwritten signature in blue ink that reads "G. Witoonchart".

Associate Professor Gasinee Witoonchart  
Rector
